ICE Chat is an instant messaging service available from ICE Data LP. ICE Chat is not (i) a trading facility and does not function as a trading facility within the meaning of Section 1a of the Commodity Exchange Act ("CEA"), (ii) a broker-dealer, exchange or alternative trading system for purpose of the Securities Exchange Act of 1934, as amended, or (iii) an entity or person in any jurisdiction outside of the United States of America having qualifications similar to the qualifications referenced in (i) and (ii) of this sentence.

Trading analytics available from ICE Data Pricing & Reference Data are a point in time output and as such are dependent on and take into account the information available to ICE Data Pricing & Reference Data at the time of calculation. ICE Data Pricing & Reference Data does not have access to all relevant trade-related data or dealer quotes, and the utility of the output may diminish depending upon the amount of available data underlying the analysis. The inputs utilized in each of the trading analytics services described herein depend on the methodologies employed by each such service and may not be the same as the inputs used in the other trading analytics services. There are many methodologies (including computer-based analytical modelling) available to calculate and determine information such as the trading analytics described herein. ICE Data Pricing & Reference Data's trading analytics may not generate results that correlate to actual outcomes, and/or actual behavior of the market, such as with regard to the purchase and sale of instruments. There may be errors or defects in ICE Data Pricing & Reference Data's software, databases, or methodologies that may cause resultant data to be inappropriate for use for certain purposes or use cases, and/or within certain applications. Certain historical data may be subject to periodic updates over time due to recalibration processes, including, but not limited to the enhancement of ICE Data Pricing & Reference Data's models and the increased coverage of instruments. Although ICE Data Pricing & Reference Data may elect to update the data it uses from time to time, it has no obligation to do so.

Fixed income evaluations, continuous evaluated pricing, end-of-day evaluations, evaluated curves, model-based curves, market sentiment scores, Size-Adjusted Pricing, and Fair Value Information Services related to securities are provided in the US through ICE Data Pricing & Reference Data, LLC and internationally through ICE Data Services entities in Europe and Asia Pacific.
