3. Market Making Arrangements

- 3.1 Members wishing to apply for Primary Market Maker ("PMM") status in the new Individual Equity Option Contracts should complete LIFFE Form 148 (for existing PMMs) or LIFFE Form 149 (for members who are not currently PMMs), both of which are available from Caterina Caramaschi at Euronext.liffe. **Applications must be submitted in confidence to Caterina Caramaschi as sealed bids no later than by the close of business on Tuesday 24 October 2006.** Incomplete applications will not be valid or accepted. Similarly, applications received after the application deadline will be rejected.
- 3.2 Members should refer to LIFFE Circular No. 06/07, issued on 14 March 2006, for a description of the PMM Scheme.
- 3.3 The monthly base volume threshold in respect of the calculation of compensation payments to PMMs shall be:

Option	Monthly base volume threshold
Experian Group Ltd	500
Home Retail Group plc	500

- 3.4 Members are reminded that, as detailed in LIFFE Circular No. 06/07, the current PMM Scheme in respect of Individual Equity Option Contracts will be in place until the close of business on 30 March 2007.

- 3.5 The daily message allocation for a PMM who intends to use price injection models shall be:

Option	Daily message allocation
Experian Group Ltd	5000
Home Retail Group plc	5000

- 3.6 Members are reminded that daily message allocations are subject to revision (i.e. allocations may be increased or decreased) should the Exchange need to review the use of bandwidth capacity.
- 3.7 Further information on the use of Automated Price Injection Models and the daily message allocation for PMMs is available in LIFFE Circular No. 06/07.
- 3.8 Members are reminded that the appointment of a PMM will be subject to a binding contract (“the Agreement”) between the successful applicant and the Exchange. A completed application does not constitute such an Agreement. Furthermore, a successful applicant’s PMM status, and therefore the period for which he may receive financial benefits, may not be deemed to have commenced until such Agreement is completed, signed and returned to the Exchange. All PMM appointments are subject to standard contractual terms (e.g. in respect of early termination).

4. Offer and Sale in the United States

- 4.1 The new Individual Equity Option Contracts will be “Approved Options” (as defined in LIFFE General Notice No. 436, issued on 16 June 1992) in respect of the transaction of LIFFE CONNECT[®] business with certain U.S. entities. By extension, such arrangements also apply to the offer and sale in the United States of the corresponding Equity Shares Contract given that it has to be executed as part of a stock contingent trade.
- 4.2 The full list of Approved Options on the Euronext website (www.euronext.com) will be updated in due course.
