RETURN INDICES****Executive Summary**

This Notice informs Members of a change to the Last Trading Day in respect of the Bclear MSCI Net Total Return Index Futures Contracts and the European Industry Group Index Contracts, effective from the January 2012 delivery month onwards.

1. London Notice No. 3420, issued on 13 April, informed Members of a change to the Last Trading Day ("LTD") for five of the Bclear MSCI Net Total Return Index Contracts, which are available on Bclear only, from the Thursday immediately preceding the third Friday of the delivery month to the Third Friday of the delivery month. This Notice informs Members that the Exchange has determined to move the LTD for all remaining Bclear MSCI Net Total Return Index Contracts and for all European Industry Group Contracts ("the Contracts") from the Thursday immediately preceding the third Friday of the delivery month to the Third Friday of the delivery month.
2. This change to the LTD is effective for all delivery months of the Contracts from the January 2012 delivery month (once listed) onwards; therefore including the delivery months beyond January 2012 that are currently listed.
3. For the avoidance of doubt, no other changes to the Contract Terms of Exchange Contracts No. 204 and No. 301 are being made. In particular, the Exchange Delivery Settlement Price ("EDSP") will continue to be based on the Closing Index Value on the LTD and will likewise continue to be calculated and published on the market day following the LTD. The Settlement Day will continue to be the second market day after the LTD.
